Each day, Morehead offers morning camps and afternoon camps. Each camp session lasts one week, Monday–Friday. In addition, Morehead offers extended care for children whose parents need early drop-off or late pick-up times, as well as lunch care for children who are attending both a morning camp and an afternoon camp. Volunteers are needed for each assignment.

Please consider carefully what weeks and what times of day that you will be available to volunteer this summer. Talk with your parent/guardian about your availability and be sure that you will have transportation for the weeks you want to volunteer.

Morehead asks that all volunteers serve a minimum of two weeks during the summer. Assignments for extra weeks may be available. Please use the chart below to mark each week you would be available AND the times you would be available for that week:
