

2023 Science for All Summit Call for Proposals

Thank you for your interest in participating in the inaugural **Science for All Summit** as a presenter. Proposals must be submitted by 5:00 pm EST on January 20, 2023. The Steering Committee will review all proposals and notify selected applicants by late February. Please direct questions about this submission form and/or the selection process to scienceforallsummit@unc.edu.

Please note: Presenters are strongly encouraged to attend the entirety of the 2-day Summit. If your application is accepted, we will use information provided here to promote your participation, so you should only submit information that you are comfortable with us sharing publicly. Thank you.

Co-Presenter Contact Information (if applicable)

Session Description (800 character limit)

This description will be used to promote the session. It is important to write clearly and explicitly so attendees will understand what to expect. Summarize your topic and state the importance/relevance/impact for attendees. Please use third person and present tense.

Session Summary (200 character limit)

This summary will be used to promote the session.

Session Outline and Resources

Please share an outline of the presentation and describe any resources or supporting materials you will share with attendees.

Session Learning Objectives

Please list 3 to 6 'takeaways' that attendees will learn in this session.

Attention to Inclusion, Diversity, Equity, and Access (400 character limit)

Please describe how the proposed session addresses the conference goal of advancing IDEA in STEM.

Intended Audience

Please describe the audiences who would benefit from attending this session. You can reference job titles, roles, or areas of responsibility.

If my proposal is selected, I commit to attending the entirety of the 2-day Summit and actively engaging with fellow attendees.

- Yes, I commit to attending the entire 2-day Summit.
 - I can only commit to attending the Summit on Wednesday, April 5.
 - I can only commit to attending the Summit on Thursday, April 6.
