

YOU'RE INVITED!

Join us for a day of science learning and fun!

Morehead Planetarium and Science Center will host the annual UNC Science Expo on **Saturday, April 6, 2024, from 11:00 am – 4:00 pm**. We will also celebrate our 75th anniversary with the community on this date.

The **UNC Science Expo** is a signature event of the North Carolina Science Festival and one of the biggest celebrations of science in the state. More than **100 booths** staffed by UNC-Chapel Hill students, scientists, and campus/community volunteers fill the quads surrounding Morehead. From hands-on activities and games to science demonstrations and behind-the-scenes lab tours, the UNC Science Expo makes learning about science fun and engaging for people of all ages.

WHAT TO EXPECT AT THE 2024 UNC SCIENCE EXPO:

- ✦ Hands-on science activities
- ✦ Live science demonstrations and stage shows
- ✦ Behind-the-scenes lab tours
- ✦ Food trucks
- ✦ Discounts from local merchants
- ✦ A 75th anniversary explosion
- ✦ A chance to win a science outreach visit to your classroom! Check in at the UNC Science Expo welcome booth to enter your name in a **FREE** raffle for exciting prizes from Morehead and Franklin Street merchants.
